

Commerzbank DTC Sofia's IT Internship Program – AcceptIT

Do you want to practice while learning? Become part of Commerzbank DTC Sofia's first internship program – "AcceptIT"!

Commerzbank is a leading international commercial bank with branches and offices in almost 50 countries. The world is changing, becoming digital, and so are we. We are leaving the traditional bank behind us and we are choosing to move forward as a digital enterprise.

As part of this strategy, Commerzbank is building a new Digital Technology Center in Sofia, Bulgaria. The teams here are focused on development, improvement and support of software solutions which digitalize the business of the bank.

Our internship program is with duration of 9 months and on a 4-hour workday with flexible working hours per agreement with your manager. You will get the chance to work on 2.5-month rotation in **1, 2 or 3 technology fields of your choice**, including:

- **Software development (Java and/or React);**
- **Application operations (Windows and/or Linux);**
- **Applicational packaging;**
- **Networking and security.**

The internship program aims to provide you with essential work and IT skills and prepare you for a future employment and continuing career with Commerzbank DTC Sofia.

If you are:

- Currently a 2nd, 3rd or 4th year student in a technical major;
- Highly motivated to learn new things and shape your future career in IT;
- Willing to work on a 4-hour workday in a Hybrid way – home/office;
- Communicative and proactive;
- Fluent in English;
- Ready to work in Commerzbank part or full-time after the internship ends.

Fluency in German would be considered an advantage.

You will get the chance to:

- Work in different departments and get familiar with various technologies of your choice in a stable, 150-year-old company while contributing to the vision of a new, just starting Digital Technology Center;
- Support the teams with various tasks related to the projects;
- Become a “guru” of using relevant systems and processes;
- Learn and be mentored from the Commerzbank’s IT experts;
- Work in a real agile environment and collaborate with international teams who are friendly, supportive and open to new opinions and ideas;
- In the end of successfully completing the program, choose the best technology for you and shape your future career path with us;
- Receive good remuneration and our full social benefits package – 25 days annual paid leave, additional health and dental insurance, food vouchers in the amount of 100 BGN monthly and 6 days annual sick leave without the necessity to present an official sick leave sheet.

Diversity and inclusion are important to us and we are committed to building a workplace where everyone, from any background, can do their best work.

AcceptIT? Apply now by on jobsbg@commerzbank.com with your up-to-date CV in English together with a few sentences on why you would like to join Commerzbank’s Internship Program! Deadline for applications: **10 December 2021.**

Shortlisted candidates will receive an additional internship application form via email.
