

About us:

Handplayed is an award-winning video production studio founded in 2015 in Sofia, Bulgaria.

We produce commercials, music videos, and films. We provide a full spectrum of services in creative, pre-production, production, and post.

Position:

Video Editor for Web Videos

We are partnering with a French video publishing company and looking to hire a full-time video editor to help us with their projects.

The position is:

- full-time, 11:00-19:00 with one hour of lunch break, Monday - Friday
- remote, meaning you're going to be working from home (so it doesn't matter if you're in Sofia or not)
- collaborative, meaning you're going to be part of a team and will participate in daily meetings held in English
- suitable for both experienced and not so experienced video editors

You will officially be employed with a full-time contract by Handplayed Ltd., but will work entirely on our French partner's projects.

Good command of English is a must. Basic skills in motion graphics are a plus. Interest and/or experience in web formats is an advantage.

The gross salary for senior editors (3+ years of experience) is 1300 EUR per month. For junior editors it's 800 EUR per month. The company is offering bonuses of 50 Eur for creating a smash hit video or up to 150 Eur for meeting your monthly objectives

You'll also receive access to stock footage and music websites, software packages, and 20 days of paid annual leave. The software you should be familiar with is Premiere Pro, After Effects, Photoshop.
