

**Want to see how an idea becomes a reality?
How a virtual design is transformed into a product?
Are you a fast and eager learner who easily adapt?
Are you willing to innovate the industry while using various technologies?**

“Inense” your career!

Join our young and growing team to provide the best service to our customers. Discover multiple industry sectors (Aerospace & Defense, Automotive, Energy, Transportation, High-Tech, Life Science) and develop yourself.

As an international company, Inensia offers a stimulating and supporting working environment with friendly, social and open-minded people. You can now onboard and fully contribute to the expansion of our European delivery center in Sofia in the position of

Full Stack C# JavaScript Developer

As a Developer you will work in the area of digital industry and product lifecycle management /PLM/.

Responsibilities:

- Understanding functional specifications describing the expected PLM solution;
- Designing and implementing any specific customizations (front-end and back-end) and interfaces between information systems (i.e. PLM to ERP such as SAP);
- Implementing migration tools to load legacy data into PLM;
- Developing scripts to automate functional and non-regression testing.

Requirements:

- Proven experience or good knowledge in one or more programming languages: C#, JavaScript, HTML5, C/C++;
- Bachelor’s degree in Computer Science, Informatics or Information System or respective experience;
- Advanced English, both oral and written;
- Sense of responsibility, autonomous, proactive, resourceful and team player.

Advantages:

- Knowledge or experience in DevOps methods and tools;
- Knowledge or experience in SQL language;
- Knowledge or experience in Agile/SCRUM methodology;
- Knowledge or experience in Data Science and Analytics;
- Good knowledge in French or German would be a plus.

We offer:

- Competitive remuneration package and additional company benefits;
- “Start-up” approach / end to end involvement / new leadership opportunities;
- Continuous training & opportunity for development;
- International experience;
- Friendly and stimulating work environment.

Willing to join our young and motivated team? Send us your CV to contact@inensia.com

All job applications will be treated and processed with strict confidentiality and in full compliance with the GDPR provisions. Only short-listed candidates will be contacted for an interview.

By applying for the present position, you agree to provide voluntarily your personal data. We inform you that INENSIA Ltd, will process your personal data for the purposes of the present selection process, as well as for recruitment of future positions at INENSIA Ltd., unless you explicitly declare your nonacceptance of the latter. Your personal data, provided for the above-mentioned purposes, will be stored for the period of up to two years. You have the right at any time to withdraw your consent and request deletion or correction of your personal data.
