

## Junior Recruiter

Yes, we truly believe we are creating a company that could be different from all the other ones and that's the idea that brought us together and, for sure, will attract you to join our squad.

Devop1 is a 100% global company, a union of professionals who welcome differences in approaches and judgments as it's what makes us stronger day by day.

We at Devop1 are growing and we are developing our recruitment team in Bulgaria. A team with people that will help us build the perfect company in the recruitment area. Join us and we will do this together.

### As a Junior Recruiter, you will:

- Prepare job descriptions and job posts;
- Source and pre-screen candidates;
- Interview candidates and analyze applicant's abilities;
- Present shortlisted candidates and prepare profile summaries;
- Network and build long-lasting client relationships.

### YOU are welcomed as you have:

- 1 year of previous experience OR strong interest and knowledge in the Recruitment activities;
- Freshly graduated OR student in Human resources; Economy; Psychology or related studies;
- Organized and time-conscious personality;
- Very good communication and team playing skills;
- Result orientation and willingness to achieve targets.

### In return YOU will get:

- Start in the HR activities with devoted time for personal training and mentoring;
- Very good remuneration;
- Flexible employment and schedule that allows you to work from anywhere;
- A chance to work with the most trailblazing companies in the world;
- Unparalleled growth opportunities;
- Limitless empowerment.
