

Prime Holding JSC is a premium software solution provider with over 20 years of experience and more than 500 successfully completed projects for clients in Europe and the USA. We employ 250 software engineers with vast expertise across technologies. We always strive to be authentic, benevolent, and competent in all our relations with clients, partners, competitors, and employees. We do our business with care and responsibility for the society and the IT industry where we live and work.

Our internship program is a genuine career opportunity for talented and hard-working individuals to become part of a team that inspires innovation and creativity! We understand that the first step in every new endeavor is crucial and we are excited to help you grow with the required practical and theoretical knowledge you will need in the future.

Currently, we're looking for a passionate, curious, creative, and solution-driven .NET Software Engineer Intern willing to start their IT career with us!

Your talent:

- Keen on programming
- Good understanding of Computer Science fundamentals
- Knowing the basics of OOP
- Good knowledge in C# and object-oriented programming, basics of SQL
- A passion for building great software
- Speaking decent English

What you get:

- Assigned mentors and 10 weeks of intensive technology-specific training
- Valuable industry knowledge
- Remuneration package
- The opportunity to work on a real project together with other interns and master your team collaboration skills
- The exclusive chance to become a full-time employee in our company

If YOU fit the requirements and you feel that the position is of interest to you, come join us- please, follow the link: https://careers.primeholding.com/jobs/Ko_zfa7KOJSI/net-software-engineer-intern-remote?ft_source=NBU_3000162532&ft_medium=Universities_3000094548

How to apply:

Send a video recording answering the questions:

- What excites you about this internship

- Share fun fact about you

It's important that in your answers you reveal more of your personality and communication skills. We'd appreciate it if you do a recording with HD (720p) or FHD (1080p) resolution.

The Process:

At the first stage, you get tasks per e-mail.

If you resolve the tasks successfully, we will invite you for an interview.

If you impress us, we will invite you to become our intern.

Period: July 12 - September 17, 2021

Deadline for applications: June 24, 2021

We thank all applicants for their interest. Only short-listed candidates will be contacted.

All personal data of applicants is protected by the law and will be treated as strictly confidential.
