

Junior Integrations Specialist

About us:

BOX NOW is an innovative tech delivery company entering the Bulgarian market. We are highly customer-oriented, and we want to bring independence to pick up your orders whenever is convenient for you by using our Automated Parcel Machines.

Why join:

BOX NOW is an excellent opportunity for someone looking to join a new, dynamic, tech-oriented, growing company with a start-up culture, but on a specific and well-funded project that combines logistics, e-commerce, and customer service.

Your role:

We are looking for a Junior Integrations Specialist to support technical integration of the BOX NOW delivery platform with Bulgarian e-shops. You will talk directly with our partners, assist them with any tech-related problems, and identify crucial information that will help us provide them with the best solution. An excellent opportunity for a recent graduate to be a crucial part of the team of an ambitious company entering the Bulgarian market.

Required skills:

- Bachelor's degree in Computer Science, Engineering or a related field (a formal degree is a requirement, skills are what counts)
- 1 year of experience in a working environment
- Ability to mix your communication skills with your technical background
- Any experience with CMS platforms (WooCommerce / Shopify or any other eCommerce platform) is an advantage
- Any API reading and understanding knowledge will be greatly appreciated
- Team-oriented mentality, problem-solving attitude and attention to details
- Bulgarian and English Language (it's a must)

Our offer:

We are growing our team with the vision of having top performers who contribute directly to the growth of the company, and we want to provide an enjoyable and rewarding working experience. As a result, we offer:

- Great opportunity to work and build a carrier in an international company
- Excellent remuneration package
- Opportunity to work alongside experienced people who are always eager to mentor
- Opportunity for personal and professional development
- Great working conditions

Your responsibilities:

- Support our newly signed partners with integrating the BOX NOW plugin into their online store
- Set permissions and manage the BOX NOW Back-end settings for our partners
- Investigate problems and bugs in order to fix them
- Coordinate activities with the Commercial team

How to apply:

If this is a challenging opportunity for you and you are interested, send us your **recent CV in English + link to your LinkedIn profile** to our email recruitment@boxnow.bg. We will treat your application with confidentiality, professionalism, and respect. Only the short-listed candidates will be contacted.
