

## Junior Recruitment Consultant

### A bit about us...

We are a B2B company that provides SaaS (software as a service) for online sports platforms. Our publish-subscribe backbone processes more than 3 billion messages every day.

We are not just about cutting-edge technology. We perfectly tailor our scalable, end-to-end solution to the needs of our business customers. We're fast and flexible.

### A bit about your future role...

- Manage the entire recruitment cycle (sourcing, attracting, selecting and hiring top talents in the market)
- Coordinating with hiring managers to identify staffing needs
- Help with keeping up the new hires happy and to have a smooth on-boarding process
- Assist in various employer branding activities and serve as brand ambassador at various events, like career fairs and recruiting events
  
- Manage respective candidate pools to ensure qualified candidates remain engaged in current or future opportunities
  
- Work closely with marketing department to develop creative ways for addressing talent acquisition challenges
- Participating in planning and organization of team building events

### The qualities, experience, and skills we are looking for...

- Have an internal drive and eagerness to win talents
- At least 1 year of previous professional experience
- Outstanding soft skills in English
- Out of the box thinking and proactive attitude
- Curiosity

### The amazing perks that come with the job...

- Cool colleagues and family like organization culture
- Career development
- Multisport card
- Food and Gift vouchers
- Transport cost coverage
- Additional health insurance
- 21 holidays paid vacation
- Flexible working hours
- Fitness corner and coach in the office to train you
- Fun company events
- Massages in the office
- Breakfast and snacks
- Birthday vouchers
- Wedding and new baby bonus
- Language lessons in the office (Hebrew or English)
- Knowledge Sharing Sessions
