

**PayMan Group** is a licensed e-money payment institution based in Bulgaria, part of an international holding. The main mission of the Company is to provide high-tech payment solutions for both businesses and end users. We provide our customers with a variety of payment tools so they can focus on their actual business or personal needs. We believe in the search for transactional solutions that go beyond standard payments and offer embedded services. Our ultimate goal is to help our customers improve their processes, stay ahead of new trends and competition, and simply be unique.

We provide a range of integrated payment and wallet solutions for both businesses and end users. Part of our services include credit transfers in the country and abroad, card payments, as well as P2P payments.

We would like to offer a **paid internship** for the period of 3+ months for young, ambitious and motivated talents who would support our team of professionals in their everyday work. We provide the opportunity to learn, prove themselves, develop their skills and gain knowledge in a professional and encouraging environment.

The internship positions we would like to propose are as follows:

- Office Manager;
- Marketing Specialist;
- IT Specialist.

If you recognize yourself in any of the listed above and you are a student 3<sup>rd</sup> year or above, studying any of the disciplines from the following Bachelor Programs:

- Informatics and Computer sciences;
- Communication and Computer equipment;
- Marketing, PR and Branding;
- Graphic Design.,

do not hesitate to send us your motivation letter on [s.vancheva@mrpayman.com](mailto:s.vancheva@mrpayman.com) for the entire 2023!
