Career with RSM. Discover the power of you.

It is our people that makes RSM what it is, and our commitment to people is paramount to our success. RSM is built on the diverse personalities, backgrounds and lifestyles of its people and we strive to not only act as an employer, but to support their lives beyond work. Whether you're just beginning your journey, or are looking for a new opportunity, RSM is the right fit for you.

With a diverse range of tailored career options, support at every corner and the ability to progress, there's never been a more exciting time to join us.

When you become part of our team, you'll discover a culture that celebrates fresh thinking and embraces change. We forged a new path, uniting 110 firms around the world under one global brand name. Help shape our journey, with yours.

We need your AUDIT talent!

Audit is our largest service line nationally, and we are growing! We provide comprehensive Audit services to clients ranging from small companies through to large listed companies. We believe that it is important for our people to have experience across a range of industries and sectors, so we do not typically have individuals in our teams working on only one type of client.

RSM has a culture of transparency and supportiveness, we remain people focused, and we care about your development. Within Audit, we promote from within wherever possible, we listen to your career goals and aspirations and we will support you in your short-term and long-term goals. We have a diverse client base, spanning a wide range of industries and sectors. As a Manager in the Audit department, you will participate and lead Audit assignments across for a diverse portfolio of clients across a wide range of industries. If you have passion and ambition, and you would like to continue to build upon your existing skills and experience, we would love to hear from you.

You will develop further your audit talent by:

- Understanding clients' needs and expectations, their business and industry, accounting and control systems, employees, company values and industry-related GAAP and GAAS issues
- Developing an understanding of the RSM audit approach and tools
- Assessing risks and evaluating the client's internal control structure
- Performing substantive tests and tests of internal controls to identify and resolve accounting or reporting issues
- Assignment and allocation of tasks to audit assistants
