

## In April, our expedition in search of uniqueness begins!

Deloitte is a business that does not just recognize the need for diversity, but fully embraces it. We value our people, who work with us, not for us. Because you matter!

We think it is an exciting time to join Deloitte. We are growing in a market that demands a new approach and unique mindset.

**Deloitte Graduate Program** is your opportunity to successfully launch your career with us!

## So, where will your curiosity take you?

**Audit** is our DNA– it is what we do; it is what we have always done and continue doing with passion. We offer our clients best in class service in audit and assurance and you will fit if you are:

- Passionate about Accounting and IFRS
- Enjoying diverse assignments, collaborating with variety of people and visiting new places
- Describing yourself as being analytical and thorough
- Proficient in Bulgarian, English and Excel

**Tax** is about solving complex intellectual challenges. We help our clients make the right business decisions by working collaboratively and creatively. Tax would be your first choice if you are:

- Feeling comfortable when interpreting legislative matters from financial and business perspective
- Infatuated to investigate and search for alternative approaches
- Focused, outspoken, always questioning and suggesting ideas; fluent in Bulgarian and English

## Whatever inspires you, we are eager to hear your story!

Whatever you choose, from day one you will get the respect for who you are and the reward for the unique contribution you make. You will have the chance to get qualified, receive all the support you need to succeed and make your **Impact that matters**.

## Here are the first six reasons to join Deloitte:

### For the fulfilment
