

Graphic Design Trainee wanted

The Dots is one of the fastest growing digital creative agencies in Bulgaria and we are now starting our internship initiative that aims to provide students with mentorship and chance to prove themselves so that they can jumpstart their career. We are currently looking for motivated talents to join our 240-hour internship program.

If you are keen to learn and develop and you have strong professional interests in the field of graphic/web design, we are ready to provide an outstanding opportunity to join our Design team as a **Graphic Design Trainee** (part time position, fully corresponding with your university schedule).

During this internship program you will be involved in day-to-day tasks such as:

- ▶ Participation in creating a variety of visuals under the mentorship of our experienced Art director and graphic designers;
- ▶ Developing design concepts for advertising campaigns and strategies as well as previews for social media posts and applications;
- ▶ Creating wireframes and taking part in brainstorming meetings, workshops, and photoshooting sessions.

Our main requirements are:

- Minimum second year of study in one of the following majors - Graphic design, Computer Graphics or other related;
- Strong interest in the field of social and web design;
- Knowledge in Adobe Photoshop, Adobe Illustrator;
- Creative thinking, team working abilities;
- English knowledge would be considered as an advantage.

If you are interested in this position, please submit your application (CV + portfolio) to iva.l@thedots-agency.com.
