

The power of connected minds.

We are the world's leading chemical company because we offer intelligent solutions for our customers and for a sustainable future. We link and develop people with diverse talents all over the world. For you, this means a variety of ways to advance. Not only your performance but also your personality matter to us. At BASF, careers develop from opportunities.

BASF's regional division Europe includes Africa, Middle East as well as Russia and the Commonwealth of Independent States. BASF operates in more than 50 countries in the region. In BASF in Bulgaria we are launching a

International Trainee program in Controlling

Our International trainee program in Controlling offers an exciting opportunity for a new career challenge. We are looking for young talent who stand out with their personality and expertise, and who want to face an exciting international career.

Right from the start you will get a comprehensive on-the job training and through your involvement in special projects and day-to-day activities, you'll get insight not only in our Finance and Controlling, but in other departments and businesses as well. You will receive challenging tasks such as monthly reporting for sales and cost development, conduction of different analyses to support business decisions, participation in the development and assessment of Sales terms and conditions, etc. You will collaborate closely with the business and support them with advice and solutions.

The program is with a duration of 2 years and will include 2 to 3 six-month assignments abroad. It will give you the opportunity to work closely with highly experienced professionals from different departments on national and international level and to get to know our organizational structure and build your network.

Right from the beginning, you will receive regular support from a colleague acting as your personal mentor throughout the program.

Duration of the program: 2 years

What happens after completing the trainee program?

In case of a successful completion of the trainee program, you will receive an offer to sign a permanent employment contract with us, either in Bulgaria or abroad. The position which will be offered will be aligned with the experience already gained during the program, and will aim to further develop the candidate's career.
