

Job Title	Operating Reporting Intern	Division	CoE PPM
Reports to	Operating Reporting Manager	Direct Reports	n/a
Document updated date	November 2017	Document revision date	

Job Purpose:

The Planning and Performance Management (PPM) Centre of Expertise (CoE) was set up in Sofia, Bulgaria in the summer of 2015.

The aim of the CoE is to support the business and be known internally as a value creator through outstanding service and financial expertise. There is a strong service oriented culture to build and maintain the reputation of the CoE.

The Centre comprises of a team of analysts who perform controlling, reporting and analytical activities to support all business units, supervised by managers leading each of the business units and key reporting areas with main focus on enabling effective decision support. The team is responsible for delivering timely and quality management reporting to support business decisions.

The CoE team comprises several areas of expertise. These are: Sales & Margin, FP&A, Group Reporting, Supply Chain, and Operational Excellence. This role provides an opportunity to gain valuable experience across a number of Sales & Margin reporting activities in BU; team members will provide back-up and resilience across all areas.

The Operating Reporting intern in the CoE will report to the BU Operating Reporting Manager and provide support to the BU Senior Manager. Main areas of focus will be the following streams:

- Customer/ Channel
- Sales volume

The intern will interact on regular basis with BU Finance teams majorly, but not limited to. They will also provide support to Sales, Demand Planning, FP&A teams within the BU of responsibility. In addition, the intern will be in constant contact and collaboration with the Master Data team, RTR, OTC (and other within the Shared Service Centre).

Accountabilities

Key accountabilities

Sales Reporting

- Prepare reports in Margin Minder based on request from the stakeholders (respective BU) in an accurate and timely manner
- Amend existing reports and create new reports through manipulation of data in Margin Minder, Sales Force or using other system
- Provide ad hoc reporting & analysis
- Provide data and analytical input to support business planning initiatives
- Analyze data through reports and provide initial commentary

Output and Key Indicators

- Effective and efficient service delivery
- Reporting and Analysis provided on timely manner and being accurate
- Adherence to CCEP Governance Model
- Professional approach to engaging and gaining support to key stakeholders across the organization
