

Do you want to step in the IT sector? BGO is looking for

Marketing Assistant Intern

BGO Software is a technology company with 100 team members Bulgaria. We develop software for some of the most significant international companies such as Department of Health in the United Kingdom, The Response Group in the United States and many more.

Our Marketing Team needs your support for several months, at least 2 hours a day in our splendid office.

You will gather clear insight of how effective marketing strategy is built and maintained among IT Sector worldwide!

You will be able to explore your true talents and develop new levels of communication and collaboration!

Intrigued?

Okay, then see if you can imagine:

! Working with MS Office Package

! Read, write and speak in English with confidence

! Design Social media posts with Canva or other crazy add software

! Doing content management (if you don't have experience with it, it's OK)

If you study Marketing, Public relations or Journalism, we will be excited to receive your CV on careers@bgsoftware.com

Only shortlisted candidates will be contacted and will receive a few tasks before the actual interview.

All applications will be treated under strict confidentiality.
Please note that the internship is unpaid.
