

Recruitment INTERNSHIP

Internship in Recruitment

*6 months Internship

*You are last year or graduated student majoring in Human Resources, Business Administration, or I-O Psychology and you want to start your exciting career as a Recruiter.

We caught your attention? Then continue reading, because we are looking forward to meet you.

To be our intern you don't have to have previous experience, you only need to be interested in recruitment process, motivated to learn and gain experience while working in an international environment of course let's not missed the good communication skills, good English and ability to work in a team.

As an intern with us you will do such an exciting things like sourcing and review of the resumes to identify qualified candidates, conduct pre-screening phone interviews, interpret, assist and advise hiring managers on requisition and recruitment process and policies.

You also might be envolved in a variety of activities supporting the HR function including data entry and analysis, record keeping and team building.

Along with all these excellent opportunities we offer you competitive compensation and individual career path.

So, you think you are that kind of person and you are interested? Then we dare you to make this step and send you resume in English to email address: generationyhomes@gmail.com
The job position is valid until the vacancy is filled.

Only shortlisted candidates will be contacted.
