

Senior PHP Developer

Our Mission:

If you want to feel happy about what you do and the impact that you are making, new and exciting challenges motivate you, and you share our passion for quality and customer satisfaction, then we have a place for you to unfold your talent.

Due to the rapid growth and expansion of company operations, currently we are looking for more people to join our team.

Responsibilities & Expectations

Integrate 3rd party APIs

Carry out various development tasks as required by the company

Create and maintain internal and support documentation

System optimization for optimum user experience

Troubleshoot technical issues that may arise

Work on multiple projects in a timely manner

Requirements

3+ years experience with Linux, PHP, Apache, MYSQL, jQuery, javascript and AJAX without reliance on CMS

Good knowledge of RESTful API design and implementation

Experience with software versioning systems and agile methodologies

Driven, passionate individual who is able to work both in a team and individually

Strong knowledge of PHP web frameworks: CodeIgniter

Understanding of MVC design patterns

Knowledge of object oriented PHP programming

Understanding accessibility and security compliance

Understanding fundamental design principles behind a scalable application

Familiarity with limitations of PHP as a platform and its workarounds

Creating database schemas that represent and support business processes
Experience from a Multinational company would be considered as advantage

What We Offer:

Great opportunity for personal and professional growth;
Young and diverse team of passionate and self-motivated professionals;
Friendly company culture built entirely around people's happiness;
Excellent working conditions with lots of benefits;

We believe in investing in our people, that's why we offer all kinds of perks to motivate and inspire our team members.

If this sounds like something you'd be interested in, we'd love to hear from you!

To apply for this position, please send us your CV and a short cover letter in English.

All applications will be processed in confidentiality.

Please note: Due to the large number of application that we receive, only shortlisted candidates will be contacted for further steps.
