

## **BE CURIOUS | BE EXTRAORDINARY | BE KPMG**

### **Audit Intern**

We are inviting top university students to join the **KPMG Audit team** in Sofia as interns during their final year of studies. **Audit** is all about understanding a business inside-out in order to assess whether financial statements of companies give a true and fair view.

You will be working in teams with experienced colleagues giving you the opportunity to learn fast, develop a solid knowledge of accounting and gain an understanding of basic audit procedures.

Much of your time as an audit intern will be spent at client offices, talking to people from different functions of the organisation being audited to evaluate business and accounting processes.

#### **KPMG audit interns are:**

- In their final year of studies in Audit, Accounting, Finance, Economics, Technology, Mathematics, IT, Business Informatics or a related discipline
- Good in English
- Able to solve problems through critical thinking
- Multitaskers and strong communicators

#### **As an intern you will get:**

- Unequaled internship experience combined with a competitive remuneration package
- Internship ‘buddy’ who will guide you on the ways to contribute, develop and progress your career with KPMG
- Access to a vast array of learning resources
- Lots of networking opportunities to support your future career

If interested, please apply below. You can also check out the KPMG internship experience as seen through the eyes of our interns here: <https://home.kpmg.com/bg/en/home/careers/internship-spotlight.html>.

*Your application package will be treated with strict confidentiality. Only shortlisted applicants will be contacted.*
