

Job description

Our client is a Bulgarian full service interior company with focus on design, manufacturing and renovating interiors of top global luxury and boutique hotels, restaurants, clubs, residences, embassies, etc.

We are looking for a self-driven and ambitious **Sales Designer** to join our client's team.

If your values include precision, client satisfaction and strong attention to details, then you find your place.

Your daily tasks include:

- Preparing variety documents concerning different steps of every deal (offers, orders, contracts, etc.);
- Excellent relationship with new and existing business partners of the company;
- Continuous clients' support and analyzing of customers' needs;
- Observing the market and tendencies in the sector;
- Regular reporting of performance, etc.

You need to have:

- University education in Interior design/Architecture or other related specialty;
- Inspiration, creativity and fresh ideas;
- Experience in preparing business correspondence, orders, contracts, reports, etc. is a strong advantage;
- Responsible and details oriented attitude is a must;
- Excellent communication skills (internally and externally);
- Very good MC Office knowledge;
- Ability to present the brand and the products in the best way;
- Fluency in Bulgarian and English and excellent business etiquette;
- Sense for beauty and luxury

The company offers:

- Competitive salary and excellent bonus system;
- Perfect location;
- Initial and on-going trainings in Bulgaria or abroad;
- Opportunity for development in a reliable company with values and traditions;
- Working in a team of highly qualified specialists;
