

RECRUITMENT FOR BUILDING AN AGENCY IN SOFIA

We create, design, produce and postproduce photo- and film projects worldwide.
With over 30 years experience.

We carry out projects beginning with the creation of ideas, through presentation and concept, implementation and postproduction.

For building a new agency in Sofia we are looking for dedicated employees in freelance and permanent positions. The segments Architecture and Programming will enlarge our services at the location of Sofia.

We value self-sufficient teamwork and respectful dealing with each other.

Applicants must speak English and/ or German fluently.

For the segment Photo+Film we are looking for University Graduates with the following skills:

1. CUTTER

Adobe After Effects
Character Animator
Adobe Premiere
Cinema 4D

2. GRAPHIC DESIGNER/ WEBSITE SPECIALIST

Adobe InDesign
Adobe Illustrator
CMS – WordPress or Typo3
knowledge of html

For the segment Architecture we are looking for University Graduates with the following skills:

3. ARCHITECTURE

AutoCAD 2018
ArchiCAD
AutoCAD Architecture
AutoCAD Civil 3D
Revid
Studio 3D (Scatch Up - Google programme)

We love our job.

You do too?
