

Marketing Intern

Telebid Pro is a software company based in Bulgaria. We have been providing dedicated product development and service (full cycle - design, development, support and scaling, monitoring, system integration, Business Intelligence) to our customers for more than 5 years. Being a small and highly qualified team is a part of our values. For that reason, we rely not only on a continuous development of the systems we create, but also on constant training and improvement of each team member.

We are looking for ambitious and creative Marketing Intern who wants to grow and develop by:

- * Helping to create and maintain landing pages, blog and content on website and social medias;
- * Participate actively in the planning and execution of company events;
- * Monitoring the best online practices;
- * Perform ongoing monitoring of competitor companies;
- * Launching, coordinating and executing our brand marketing strategy.

We offer

- * Training, experience and opportunity for working part-time or full-time;
- * Friendly work environment in a team of highly skilled and motivated people;
- * Flexible working hours to fit schedules for lectures and seminars.

Requirements

- * Being a student or fresh graduate in Marketing, Communications, or similar field;
- * An excellent command of written and spoken English;
- * Strong knowledge of MS Office and/ or google spreadsheet;
- * Very good analytical skills and fast thinking;
- * Skills in WordPress and Digital Illustration Tools will be considered as a strong advantage.
