

Software Engineer intern

Our internship program is a genuine career opportunity for talented and hard-working individuals to become part of a team that inspires innovation and creativity! We understand that the first step in every new endeavor is crucial and we are excited to help you grow with the required practical and theoretical knowledge you will need in the future.

Period: July-September 2019

Deadline for applications: 14th of June 2019

How to apply:

Send your CV to internship@primeholding.com , stating your interest in a specific internship area.

The Process:

At the first stage you get a task from our Internship Lead per e-mail.

If you resolve the task successfully, we will invite you for an interview.

If you impress us, we will invite you to become our intern.

Internship subject areas:

- Back-end (Java)
- Back-end (.NET/C#)
- Front-end (HTML, CSS, JavaScript, Angular4+)
- Quality Assurance

What you get:

- Assigned mentors and 3 months intensive technology specific training
- Valuable industry knowledge
- The opportunity to work on real internal projects
- The exclusive chance to become a full-time employee in our company
