

# SAP Academy

About the company:

KPMG IT Service OOD is an internal IT service provider with a mission to digitalize the core business of the KPMG network member firms and their clients.

About you:

The personality of the one we are looking for is bright and motivated IT enthusiast, who would like to develop in the area of SAP Consulting. You are passionate about new technologies and business processes, and eager to further grow, both personally and professionally. You are someone, who is good at absorbing large amounts of information and willing to share your knowledge with others.

The SAP training will cover the following areas of expertise:

- Functional/Business Consulting (FI, CO, SCM, SD, HCM, etc).
- Technical (SAP Basis, Security, BW, Master Data, etc).
- Development (SAP Fiori, SAP ABAP, etc).

**Start date: 21.04.2020**

What you bring in:

- Bachelor's degree in Computer Science or Economics/Business Administration.
- Fluent English – verbal and written.
- Analytical and problem-solving skills.
- Very good communication skills.
- Attention to detail.
- Self-driven and result-oriented attitude.

What we offer:

- SAP Certified trainings.
- 1 to 2-month general SAP training, covering all three areas: Functional/Business Consulting, Technical and Development, followed by an exam in one specific area of the above mentioned
- Career path as KPMG SAP Consultant
- Specialization in one specific area: practical assignments with very experienced professionals.
- SAP Certification upon successful completion of the training.
- Remuneration for the whole period of the SAP Academy.
