Intern – Partner Program

We're Progress – we offer the best platform for building and deploying tomorrow's applications quickly and easily. We are bold, forward-thinking innovators who build things that work and care about our customers. We invent and reinvent every day, work together as one, value and respect each other and cheer our wins. Join our Global Partner Program team in Sofia as an Intern.

If you are a student or a recent graduate, a quick learner and collaborate well in a team set up, then this is the right opportunity for you. You'll be given the chance to do meaningful work and tackle real problems. In your time as an Intern, you'll support the team by working on data accuracy projects aimed at streamlining the partner data in our CRM system and improve reporting

We ask that all our interns be able to commit to at least 6 months of full-time work.

Here's what you'll do:

- Perform data quality checks in the internal CRM (Salesforce.com)
- Update relevant fields with missing information
- Research and investigate data irregularities/anomalies
- Manage conflicting data (partner, reseller, distributor and end user)
- Review accounts and contacts for duplication and merging of data
- Enter partner contract details

On day one, we will be expecting you have:

- Great Microsoft Office skills
- Excellent organizational and administrative skills
- Attention to detail and accuracy
- Ability to work autonomously
- Good written and verbal English language skills
- Some knowledge about/ experience with Salesforce or other CRM

If this sounds like the right fit for your experience and career interests, we would be happy to talk to you!

[Apply now](#) by sending us your CV and a brief letter telling us why you would like to join the Progress team as a Partner Program intern.

What we offer in return is the opportunity to join a talented team of bright and nice people and to also enjoy a great compensation and benefits package.
