

We are hunting for:

Mid to Senior JAVA Backend Developer (early employee)

You are a JAVA developer with 3+ years of experience in a big company?

You are tired of projects and want to develop a product?

You want to be part of a fast-growing company, learn from seniors with 10+ years experience?

You envision yourself as a future CTO?

Then OMNIO is the place for you!

Who are we? Bulgarian-based RegTech start-up that helps financial institutions with their compliance and risk prevention processes. In brief, we build AI for compliance. Our unique approach and technology are creating a disruptor in the financial services industry. The founding team consists of professionals with decades of experience in finance, compliance and software engineering.

As a part of our team, you will experience first-hand the dynamic and fast-moving world of a growing RegTech company. From day one, you will be a part of our execution-driven team and see your work coming to life daily. We offer an exciting development project around a disruptive vision for the first product of its kind.

We seek for ninjas who:

- Have 3+ years experience with Java and Relational DBs(MySQL)
- Can work in an agile environment in a dynamic, productive team
- Are interested and/or have experience with creating a new product
- Are able to plan and execute their plan
- Are motivated to grow and develop as professionals
- Having developed fintech products is an advantage

- Want to leave a mark!

At OMNIO, you will:

- Create innovations in banking and finance;
- Work to STOP money laundering and catch the bad guys;
- Think outside the box... of your PC :)
- Ninja all the time!

We offer you:

- Amazing work environment and a challenging task;
- Employee stock ownership plan;
- Starting salary of 3000-4000 BGN net per month, with growth every 6 months;
- Opportunity to work directly with the founding team and grow quickly;
- Chance to make the world better!

We expect your resumes until September 17, 2021 here and on info@omniotech.net. We will examine all applications carefully and confidentially, in compliance with GDPR.

We will contact you (really!) within 3 days of sending your application for the next steps!

Thank you, guys! We look forward to meeting you!
