

TAX CONSULTANT

Career with RSM. Discover the power of you.

It is our people that makes RSM what it is, and our commitment to people is paramount to our success. RSM is built on the diverse personalities, backgrounds and lifestyles of its people and we strive to not only act as an employer, but to support their lives beyond work. Whether you're just beginning your journey, or are looking for a new opportunity, RSM is the right fit for you.

With a diverse range of tailored career options, support at every corner and the ability to progress, there's never been a more exciting time to join us.

When you become part of our team, you'll discover a culture that celebrates fresh thinking and embraces change. We forged a new path, uniting 110 firms around the world under one global brand name. Help shape our journey, with yours.

We need your TAX talent!

We provide comprehensive consulting services to clients. We believe that it is important for our people to have experience across a range of industries and sectors, so we do not typically have individuals in our teams working on only one type of client.

RSM has a culture of transparency and supportiveness, we remain people focused, and we care about your development. Within RSM, we promote from within wherever possible, we listen to your career goals and aspirations and we will support you in your short-term and long-term goals. If you have passion and ambition, and you would like to continue to build upon your existing skills and experience, we would love to hear from you.

You will develop further your tax talent by:

- Preparation of written consultations for clients on tax matters (CITA, VAT, Personal taxation and etc)
- Keeping up-to-date knowledge of current tax practices and changes in tax legislation
- Assistance in the implementation of due diligence services and services related to business combinations with regard to tax aspects
- Preparation and detailed review and analysis of tax returns
- Ongoing communication with customers
- Day-to-day communication and reporting of results of current tasks assigned.
