

Commercial Finance Analyst (All Levels)

[Commercial Finance Analyst \(All Levels\) job in Sofia, Bulgaria | Sales & Business Development jobs at Thermo Fisher Scientific](#)

At Thermo Fisher Scientific, you'll discover meaningful work that makes a positive impact on a global scale. Join our colleagues in bringing our Mission to life - enabling our customers to make the world healthier, cleaner and safer. We provide our teams with the resources needed to achieve individual career goals while taking science a step beyond through research, development and delivery of life-changing therapies. With clinical trials conducted in 100+ countries and ongoing development of novel frameworks for clinical research through our PPD clinical research portfolio, our work spans laboratory, digital and decentralized clinical trial services. Your determination to deliver quality and accuracy will improve health outcomes that people and communities depend on – now and in the future.

Our colleagues in corporate strive for excellence in every task, at every moment. We are game changers seeking improvements to processes and more efficient ways of working or adapting to changing financial and industry environments.

Commercial Finance plays a pivotal role in PPD by partnering with departments across the entire organization to help our clients take control of their study finances. Our team offers end-to-end commercial lifecycle management, from a request for proposal to contract modification, to study close. The team also provides profitability analysis, centralized operational bidding and a wide variety of client outsourcing services.

Would you like to become part of PPD's Commercial Finance Team and contribute in all aspects to the department's and company's success?

Then we have an opportunity for you - join our team of global professionals as a:

Commercial Finance Analyst

You will be primarily responsible to gather and analyze data for budgets, proposals and contract modifications. As part of our global team you will be coordinating the budget and proposal development process to ensure the timely response to our clients' requests.

Keys to Success:

Education:

Bachelor's Degree in Business-related area;

Experience:

Experience in budget and financial analysis and/or bid preparation will be considered an advantage;

Knowledge, Skills, Abilities:

- Excellent knowledge of Microsoft Office software (minimally Word and Excel);
- High quality oral and written communication skills in Bulgarian and English
- Ability to work in a dynamic environment and excellent organizational skills;
- Ability to process and analyze data from diverse sources;
- Detail oriented with strong analytical skills.

Why Join Us?

We hire the best, develop ourselves and each other, and recognize the power of being one team! We understand that you will want to grow both professionally and personally throughout your career, and therefore you will benefit from an award-winning learning and development programme, ensuring you reach your potential.

What we offer:

- Learning and development programme, ensuring you reach your potential
- Extensive benefits package based around the health and well-being of our employees
- Competitive salary
- Flexible working culture with work-life balance and possibility for remote working
- Collaborative and friendly environment
- Global exposure and opportunity to work on international assignments.

Our Mission is to enable our customers to make the world healthier, cleaner and safer. Watch as our colleagues explain 5 reasons to work with us. As one team of 100,000+ colleagues, we share a common set of values - Integrity, Intensity, Innovation and Involvement - working together to accelerate research, solve complex scientific challenges, drive technological innovation and support patients in need. #StartYourStory with PPD, part of Thermo Fisher Scientific, where diverse experiences, backgrounds and perspectives are valued.
